Jody Dean headlines a cast of talented Panther seniors.

was an all-conference pick in '98, batting .326 with a team-high 39 RBI.

"They (Dean, Paulus and Schreurs) are really our cornerstones," UNI head coach Meredith Bakley said. "They've all started for four years, and I don't know if they've missed any games between them. The key is leading by example; we're expecting a lot of leadership from them, as well as enthusiasm (in practice and in games). We're really looking for them to have a good year."

In all, six position players and three pitchers return with significant playing time under their respective belts for the Panthers. Senior third baseman **Heather Blair**, along with juniors **Kylie Sloan**, **Heidi Fromherz**, **Jeannine Soncini** and **Melissa Navntoft**, and sophomores **Beth Scheetz**, **Stephanie Staveley** and **Heidi Freitager**, anchor a lineup that, experience-wise, will be very tough to beat.

"We have a good defense, a very strong infield, and two catchers that I'm really impressed with. Our big hitters are returning, and our pitching depth is in good shape. It should be a good year," said Bakley.

THE INFIELD

Northern Iowa's infield returns intact. Schreurs and Paulus cover first and second base. Sloan (.245 average, 22 RBI) started at short-stop as a sophomore last season. Blair (.228, 14 RBI) also was a starter at third. Freitager replaces departed senior **Kristen Dalrymple** at catcher.

"Angie is one of the better first basemen in our conference. I'm really looking for her to enjoy a great senior season. Jackie is an outstanding leadoff hitter and leader. She's really dynamic. And, of

PANTHERS AT A GLANCE

The return of three standout players has the Northern Iowa softball team thinking big in 1999.

The talented trio of **Jody Dean**, **Jackie Paulus** and **Angie Schreurs** expect to lead the way for a Panther team hoping to produce many victories this spring. Dean, the starting centerfielder, was a first team all-conference and all-region selection last year, and also was awarded third team all-American honors. The senior from Postville, IA, already holds school records for career home runs (29), career runs driven in (117), and home runs in a season (12 in 1997 and again in 1998). She hit a career-high .393 last spring with 12 HRs and 38 RBI.

Paulus is starting at second base for the fourth consecutive season. The senior from Burlington, IA, is a two-time Missouri Valley Conference first-teamer, who hit .344 last year. Schreurs, a senior from West Des Moines, IA, also

Angie Schreurs is a returning all-conference candidate at first base for UNI.

Junior Heidi Fromherz returns as a veteran of the Panthers' deep pitching staff.

course, Kylie and Heather have been in our system for quite some time. They know what it takes."

Walk-ons **Stacey Sampson** (first base) and **Teri Sabey** (second), along with freshman **Lindsay Wood** (third) give the Panthers depth. Catcher **Leanne Zintak**, another freshman, will back up Freitager behind the plate.

THE OUTFIELD

Dean is one of the most feared hitters in the Missouri Valley Conference. She expects to have another outstanding season in centerfield. She has experienced a tremendous amount of success at UNI, as the records indicate. This past winter, Dean was selected by the Virginia Roadsters of the Women's Pro Fastpitch League. Dean cannot be contacted by the club until her season is over at UNI.

"Officially, she's the first (player) to be drafted (from Northern Iowa)," Bakley said. "Only two players (from the MVC) were drafted: Jody and Heather Stella of Illinois State. She was very flattered (by the honor).

"Jody has been recognized regionally and nationally (for her efforts). She's quick and has power."

Scheetz and Staveley will battle for starting roles, and freshman **Lindsey Wright**, along with walk-ons **Jacque LaFleur** and **Kelli McCoy**, should see their share of action. **Amber Sampson** started all 48 games last year as a senior, but batted only .189. She did have eight triples, though. Her absence will be felt in rightfield.

"We will have to fill the void left by Sampson, but I think we have capable players that can do just that," Bakley said.

THE PITCHING STAFF

Last year's ace, **Shelby Worms**, is gone. Worms went 14-9 with a 1.25 ERA. Soncini (8-8, 2.82 ERA), Navntoft (0-1, 3.00) and Fromherz (4-4, 3.34) are expected to battle for the top spot on the pitching staff, but for now, the potential ace is still undecided. Freshman **Candice Brooks** saw some action this fall and may push for mound time, as well.

"Shelby did a very good job for us last year," Bakley said. "She stepped in and emerged as our best pitcher. (Head assistant coach) Gene Bruhn has been working with the pitchers in the offseason, though, and Shelby has helped out also. They've put in the time this winter. We expect good things out of Fromherz and Soncini, and Navntoft is our utility player. She should pitch a little. Candice is coming along as a newcomer, as well."

MVC RACE

Creighton (16-2, 33-15) is the defending Missouri Valley Conference regular season champions, while Southwest Missouri State (13-5, 31-22) is defending tournament champs. The Bears have won three consecutive league crowns, and return four starters this spring.

Southern Illinois (12-6, 32-17) was third in the MVC standings. The Salukis are the most experienced team in the conference, returning all nine starters and 15 of 16 letterwinners overall.

Northern Iowa, a fourth-place finisher last year, is expected to be right in the thick of things, as well. The Panthers were 26-22 overall last season, and owned a 11-7 league mark, their highest win total for a MVC season in school history.

RECAPPING THE FALL

The Panthers had their ups and downs this past fall, recording an 8-5 overall record. UNI participated in three invitationals, going 2-2 at Bradley, 3-1 at Creighton and 3-2 at the National Invitation Championship.

Paulus (.354, 12 runs scored) and Navntoft (.333, 12 RBI) both found success at the plate. Dean had a team-high three home runs, and the duo of Fromherz and Soncini each picked up three victories to pace the pitching staff.

**Head Coach
Meredith
Bakley**

Meredith Bakley is in her 21st year heading the Northern Iowa softball program. During her tenure, she has an AIAW National Championship to her credit, leading the Panthers to the title in 1982, and a berth in the NCAA Division I Championships in 1990 after her team won the Gateway Conference Tournament. She recorded a 22-10 record her first year at UNI enroute to a second-place finish in the AIAW State Tournament, the same year the team finished sixth at the regional championship. In all, UNI teams have posted at or above .500 records in 15 of 20 seasons.

Bakley has compiled a 572-464-3 record since her arrival in Cedar Falls in 1979 and has guided her teams to 29 or more wins 11 times. Her philosophy of playing against the best competition available has seen the Panthers face a steady diet of the nation's top-ranked teams.

A graduate of Black Hills State College in Spearfish, South Dakota, Bakley received her master's degree from Colorado State University in 1974. She has completed hours toward her doctorate from the University of Iowa and Northern Colorado.

Bakley was an instructor at Valley State College in Valley City, North Dakota, where she was head basketball and softball coach before coming to UNI. Her Valley City softball squad placed second in the state in 1978. Bakley's career collegiate coaching record is 631-498-3.

**Assistant
Coach
Dr. Gene
Bruhn**

Dr. Gene Bruhn, the only assistant softball coach in school history, is in his 17th season for the Panthers. Dr. Bruhn has handled Northern Iowa pitching staffs that consistently have been among the best in the Missouri Valley since his arrival. Included on those staffs have been all-conference hurlers Krista Fosbinder, Sarah O'Byrne and Kandy Keiper.

Bruhn currently is a practicing chiropractor in Clarksville, Iowa. He studied at Ellsworth Junior College for two years, at Wartburg for a year and received his degree from Palmer College of Chiropractic in Davenport, Iowa. Dr. Bruhn was a top softball player in the area for over 25 years.

Head coach Meredith Bakley begins her 21st season at Northern Iowa. Her 631 career victories ranks in the top 20 all-time among Division I coaches.

1999 Panther Players

The success of the 1998 Panthers (from left to right: Jen Dean, Jeannine Soncini, Jackie Paulus, Kristen Dalrymple and Angie Schreurs) should carry into this year, as seven starters return in all.

The 1998 Panther squad will go down as one of the most successful teams in school history. With a 26-22 mark, it finished the '98 campaign with a second-place finish at the MVC Tournament, second-highest in school history. The 11-7 conference mark tied for the highest finish by a Panther squad, and was only the fourth time ever that a UNI softball team finished above .500 in the MVC (formerly the Gateway Conference).

The year was highlighted with five and six-game winning streaks, including victories over nationally-ranked Minnesota, MVC power Illinois State, MVC regular season champion Creighton and tournament champion Southwest Missouri State. Individual achievements also stood out on the 1998 Panther team, including four all-conference selections, three all-tournament picks, and a third team all-America honoree.

Panthers Finish '98 Season with Second Place Showing at MVC Tourney

The Northern Iowa Panthers surprised many in 1998, finishing with an 11-7 conference record, their highest win total in the MVC. The 26-22 Panthers wrapped up the season with their second-highest conference tournament finish, losing in the championship to Southwest Missouri State.

Head coach **Meredith Bakley**, who completed her 15th season with a record at or above .500, was excited but not shocked by her team's performance on the year.

"To say I was surprised would be wrong. I knew this team had the talent and determination to do well this season. After the disappointing end to the 1997 season, this year's team had something to prove to the Missouri Valley Conference. I think this season sent a message to the MVC that Northern Iowa softball is a tough opponent," stated Bakley.

The Panther schedule was one of the toughest in recent years, including an opening tournament which hosted three nationally-ranked teams in Minnesota, Missouri and Kansas, along with Western Illinois. UNI opened the year 0-5 with close losses to Missouri and Kansas. Bakley wasn't discouraged by the opening setbacks.

"I knew going into the tourney that it would be tough, but the only way to test yourself is to face the best opponents," Bakley said. "We came away from the Metrodome Invitational knowing what we had done well, and what we needed to work on to get better."

"...We knew this team had the talent and determination to do well this season. After a disappointing end to the 1997 season, this year's team had something to prove to the Missouri Valley Conference."

--Bakley on the 1998 squad

The Panther bats came alive in a doubleheader sweep of Tennessee-Martin to ease the 0-5 start, as UNI combined for 35 runs and 31 hits in the wins. UNI took a 2-7 mark with it on a pivotal road trip to Florida on spring break. First was the Florida State Invitational, where the Panthers once again faced the nation's best teams. UNI opened with a 3-0 loss to Florida State and a 10-6 loss to Penn State. The team rebounded with two wins before losing to Louisiana State. UNI picked up two more wins at North Florida before heading back to Missouri for the Missouri Invite. However, snow forced the cancellation of the tourney.

"It seemed like, at the beginning, we would pick up momentum only to lose it because of bad weather or something else that was out of our hands. We needed to take this adversity, as a team, and turn it into a positive rather than dwelling on the negative," commented Bakley.

A 3-1 finish in the Southern Illinois Invitational and a doubleheader sweep of Missouri-Kansas City led to a five-game winning streak entering the MVC season. The Panthers started with doubleheader splits on the road against Wichita State and Southwest Missouri State and a home split with Creighton. UNI took two from Drake at home before splitting with Evansville and dropping two against Southern Illinois. After a non-conference split with Minnesota, the Panthers split with Illinois State before going on a four-game winning streak to finish fourth in the MVC regular season

race.

UNI started the MVC tournament with a five-inning, 8-0 win over Wichita State. UNI went on to beat Illinois State--which had upset the top seed, Creighton--2-1 on a RBI single by **Jeannine Soncini**. The Panthers dropped their first game of the tourney to Southwest Missouri State 6-2. UNI then beat host Evansville 1-0 on a homer by **Jody Dean**, her third of the tourney, tying a MVC record. In the championship game, SMS outlasted the Panthers 2-1 to claim its third straight conference tournament title.

"We had a great run at the conference tournament. We went into the weekend with a winning streak, and tried to ride the energy. With this type of tournament, whoever gets on a streak can win it. We did it before in 1990, and hoped to do it again, but came up a little short," stated Bakley.

Four Panthers earned all-conference honors, including senior **Shelby Worms** and junior **Angie Schreurs** making the second team, while juniors **Dean** and **Jackie Paulus** were selected to the first team. The latter pair earned other post-season honors. Paulus was named to the GTE District VII all-academic team, and Dean was a third team all-American selection, only the sixth MVC player to earn that honor.

Dean, Paulus and Schreurs led the powerful Panther bats in every offensive category. Dean tied her school and MVC record with 12 home runs, along with leading the squad with a .393 average, 11 doubles, 106 total bases and 21 walks. Paulus led the MVC and UNI with 45 runs scored and led the team with 164 at bats, 56 hits and 10 stolen bases. Schreurs led UNI with 39 RBIs, 21 walks and 11 doubles.

Four Panther seniors wrapped up outstanding careers at UNI in '98. Worms was 14-9 with a 1.41 ERA and 97 strikeouts. She went 6-3 in the MVC and was 3-1 at the conference tournament. Outfielder **Amber Sampson** ended her four years once again on top of the MVC in triples, picking up eight this year. She also tallied five doubles and seven stolen bases to go with a .971 fielding percentage. Catcher **Kristen Dalrymple** posted a .261 batting average and four home runs, two coming in one game versus Bradley. She was second on the team with 14 walks and committed one error in 99 chances behind the plate. Utility player **Maggie Sellers** started in 10 games this year, her first starts as a Panther, collecting her first hit against St. Louis, where she was 3-4 with a RBI, also a career first.

For the second-straight year, Amber Sampson led the Missouri Valley Conference and most of NCAA Division I softball in triples, finishing with eight, which placed her first in the MVC and 10th in the nation. In '97, she led the MVC and finished tied for ninth in Division I with nine triples.

A commitment to excellence, both in the classroom and athletic arena, has been a trademark of the Missouri Valley Conference since its inception in the winter of 1907. Built firmly on a solid foundation, the Missouri Valley Conference has made great strides and streamlined its resources and skills to become one of the nation's most progressive athletics conferences.

Athletics accomplishments on the men's athletics side include four national basketball championships, 17 trips to the NCAA Final Four and a 1989 national baseball championship.

Obviously, the inclusion of women's programs under the Missouri Valley banner -- the oldest athletic conference west of the Mississippi River -- has provided an immediate boost. The Gateway Collegiate Athletic Conference -- which began in 1982 -- merged with the Missouri Valley Conference and was unveiled as part of the new MVC on July 1, 1992.

The St. Louis-based Missouri Valley Conference began its fine tradition long ago. Initiated as a basketball conference in 1907, the MVC has produced many individual and team national champions in basketball and other sports.

Seeds for the creation of the conference were planted by eight administrators representing five institutions who gathered at the Midland Hotel in Kansas City, MO, on January 12, 1907. The five schools which formed the Missouri Valley Intercollegiate Athletic Association were Washington University of St. Louis, and the state universities of Iowa, Kansas, Missouri and Nebraska. Two months after the initial meeting, two more institutions -- Drake University and Iowa State College -- were admitted to the league.

In the fall of 1907, basketball became the first competitive sport. Today, the Missouri Valley Conference sponsors the following sports: baseball, men's and women's basketball, men's and women's cross country and track (indoor and outdoor), men's and women's golf, men's and women's soccer, softball, men's and women's swimming, men's and women's tennis and women's volleyball.

MVC student-athletes and coaches have been household names during the conference's illustrious history, both during their collegiate careers and, for some, professional careers which have followed stardom in the Missouri Valley Conference. Individual basketball greats such as Wichita State's Antoine Carr, Bradley's Hersey Hawkins, Creighton's Benoit Benjamin and Southern Illinois' Ashraf Amaya and Chris Carr are still active on NBA rosters, while past stars such as Larry Bird, Oscar Robertson, Chet Walker, Walt Frazier, Wes Unseld, Paul Silas and many others are still to be found in the Missouri Valley's record books.

Missouri Valley Conference student-athletes also have had their share of success in the classroom. Peter Bednekoff, a track athlete from Tulsa, was a 1988 Rhodes Scholar, and Creighton's Bill O'Dowd, a 4.0 student who earned a master's degree in four years, was named one of the top 20 undergraduates in the country by *USA Today* in 1990. In 1995-96, two MVC student-athletes were named national academic Players of the Year in their respective sports (Drake's Tricia Wakley in women's basketball and Southern Illinois' Christine Knotts in softball).

Some 31 institutions in 13 states have at one time or another been a part of what is now the Missouri Valley Conference. Membership has been stabilized in the past decade, and now a league that has survived in what has been a volatile environment for the past few years continues its evolution with women's athletics maintaining its ascent. A listing of current members is below.

Doug Elgin is in his 11th year as MVC commissioner. A 1973 graduate of Lafayette College, Elgin previously served as assistant commissioner at the Sun Belt Conference for five years after three years as the University of Virginia's sports information director. A native of Hagerston, MD, Elgin received his master's from Ohio University in 1975.

UNI History

Jen Dean (top left) holds the NCAA Division I national record for consecutive stolen bases with 64. Dean also owns six Northern Iowa records, including 44 runs batted in and 22 stolen bases in 1994 and 48 runs scored in 1996. However, the Dean legacy doesn't end there, as the younger Jody Dean (bottom left) has solidified a place in the history books. She is only the sixth player in Missouri Valley Conference history to earn third team all-American honors after tying her own record for home runs in a season with 12. Three of them came in the MVC tournament, also a record. She holds six Panther records, including the career marks for home runs (29) and runs batted in (117).

Despite their domination in the record books, the Dean duo are outdone by former Panther pitchers Sarah O'Byrne and Krista Fosbinder, who own 24 records in their combined five years at UNI. O'Byrne (top right) owns most of the season marks in pitching, including most wins (21), complete games (34) and consecutive scoreless innings (46). Fosbinder (bottom right) owns all but six of the career records at UNI. She owns records in games (122), complete games (101), lowest ERA (1.11), strikeouts (407) and innings pitched (766). She also is one of only two pitchers in Missouri Valley Conference Tournament history to record a complete game no-hitter, shutting out Indiana State en-route to the conference crown in 1990.

This Is Northern Iowa

The University of Northern Iowa is known for its academics as well as its athletic program. UNI's academic reputation has proven a key factor in its selection to U.S. News and World Reports rankings. The school was named among the Midwest's finest institutions. In 1996, UNI was the only public institution among the magazine's top 15 regional universities. Other issues have named UNI the Midwest's most efficient regional university and first in "best value," "up and coming," and "most efficient."

A campus-wide commitment to great teaching lies at the heart of the University of Northern Iowa. Founded in 1876, the University has a reputation for providing exceptional undergraduate education, as well as complementary programs at the master's, specialist's and doctoral levels. Building on its historic excellence in teacher education, UNI has developed outstanding programs in business, natural sciences, humanities and fine arts, and social and behavior sciences.

Realizing the value of a liberal arts education, the University has implemented a rigorous General Education curriculum that equips students with a broad understanding and knowledge of how to apply and acquire new information throughout life.

UNI is a university that values teaching. That means full-time faculty members teach in the classroom. The University fosters one-on-one working relationships between faculty and students, with more than 90 percent of UNI's classes having 50 or fewer students. UNI's heritage and philosophy place great value on providing a student-centered educational experience. The University's medium size allows it to offer the faculty, facilities and academic choices of a major university, while retaining a friendly, small college atmosphere.

Throughout the years, UNI's academic reputation has proven a key factor in landing recognition as one of the top undergraduate institutions in the region.

U.S. News and World Report ranked the University among the best values and most efficient of regional universities in the Midwest in its 1997 America's Best College Guide. In past years UNI has been cited by the magazine in other categories such as "best," "best buy," "up and coming" and "#1 in academic reputation."

The book, *Crime at College: The Student Guide to Personal Safety*, credits UNI with having the safest campus/community in the country.

Enrollment on the 860-acre campus stands at about 13,000 students from every county in Iowa, 40 states and 48 foreign countries.

The school was founded in 1876 as the Iowa State Normal School. In 1909, it became Iowa State Teachers College. In 1961, the name was changed to State College of Iowa, and in 1967, the Iowa Legislature acted to change the status of the institution to that of a university under

its present name.

UNI's attractive, park-like walking campus is located in Cedar Falls, a pleasant and historic community of about 35,000. Together with neighboring Waterloo, the metropolitan area has a culturally diverse population of 115,000 people. Cedar Falls/Waterloo is a center for industry, finance, commerce, recreation and cultural activities for northeast Iowa.

Northern Iowa Softball

The Northern Iowa softball team found its home on the UNI campus in the 1978 season with the construction of its own diamond after previously playing all home games at a softball complex in nearby Waterloo. Ground-level dugouts have been added since that time to afford protection for the athletes from the possibility of inclement weather. These were remodeled in 1995 to provide a better playing atmosphere.

However, if the weather dictates that games can no longer be played outdoors, the Panthers have the advantage of being able to play indoors in the UNI-Dome, a unique, multi-purpose athletic facility built in 1976, that has gained a reputation as one of the finest collegiate facilities in America.

The Dome combines the features of a fieldhouse, football stadium, and large auditorium. In addition to Panther football, basketball, softball, wrestling and track events, it has played host to the NCAA Division I-AA football playoffs, the 1997 NCAA Division I Wrestling Championships, gymnastics and wrestling championships, high school football and basketball and the Iowa high school football playoffs.

The turf was replaced five years ago with a new AstroTurf manufactured by Balsam Corporation, the same material that lasted 16 years prior to the installation of the new. It's a premier surface utilized by every Dome facility in North America with the exception of one, and offers the best durability and playability of any material on the market. This past summer, the Dome roof got a new facelift, exchanging its air-supported Teflon roof with a more permanent one.

Approximately 16,400 spectators can be seated for football games and track meets, and although normal capacity is 10,000 for basketball, seating can be expanded to over 20,000.

UNI softball has hosted 10 tournaments in the Dome, placing two fields opposite each other on the turf. The tourney field has included nationally-ranked teams, including Nebraska, as well as Missouri Valley Conference members Drake and Bradley and strong teams such as Augustana of South Dakota, Wisconsin Parkside and last year's Division II champion, Mankato State.

Northern Iowa Media Information

Press facilities are very limited at the UNI Softball Field. The field has no enclosed press box at this time. If you are covering a game, prepare for inclement weather. There are few electrical outlets for use, and there are no phone lines. If you need to use the fax machine or a phone after the second game of a doubleheader, please contact **Eric Pratt, student assistant in charge of softball, in the Media Relations Office at (319) 273-6354 or at home at (319) 277-8278** before the day of a game.

The UNI Softball Field is located behind the UNI-Dome and to the northwest. Free parking is available and there is no admission charge for games. Head coach Meredith Bakley, assistant coach Gene Bruhn and players are available for interviews on most occasions after the second game of a doubleheader. Interviews may be arranged with **Bakley at (319) 273-2520**.

If media or any member of an opponent's sports information office are unable to attend a game, please call before the day of a game to request statistics and/or box scores of the game. These will be available approximately one hour after the second game of a doubleheader. These are available through **Missouri Valley Fax-on-Demand System** by following the directions below.

President Dr. Robert Koob

Robert Koob, a Northern Iowa alumnus, is in his third year as UNI's eighth president. A 1962 graduate of what was then State College of Iowa, Koob was named president July 1, 1995 by the Iowa State Board of Regents.

Koob had been a senior vice president and vice president for academic affairs at California Polytechnic State University at San Luis Obispo, CA, since 1990.

Prior to his position at Cal Poly, Koob was vice president of academic affairs at North Dakota State from 1985-90 and served a one-year term as interim president from 1987-88.

At Cal Poly, Koob was director and chair of the Cal Poly Foundation and served on a number of CSU system committees, including the CSU Commission on Telecommunications Infrastructures.

He began his teaching career at North Dakota State in 1967 as an assistant professor of chemistry, advancing to professor of chemistry in 1972. He served that institution in several capacities before assuming the vice presidency. He was chair of the chemistry department for six years, and acting chair of the physics department one year, as well as dean of the College of Science and Mathematics from 1981-84.

Koob graduated from State College of Iowa with a bachelor's degree in chemistry and earned his doctorate in chemistry from Kansas in 1967. He and his wife, Yvonne, have seven grown children.

"It's an honor for me, as a UNI graduate, to return as president," he said. "I can't imagine anyone being more honored in the State of Iowa."

Athletic Director Chris Ritrievi

Chris Ritrievi is in his seventh year as Northern Iowa Director of Athletics. Since the day he joined the department, he has worked to develop a competitive Division I athletics program.

A former Division I athlete himself, Ritrievi earned three varsity letters at Princeton, where he received a bachelor's degree in Economics in 1979. He earned his master's in Business Administration from Lehigh in 1983.

His career in intercollegiate athletics began as a graduate assistant at Lehigh. He has served in administrative and coaching positions at the Eastern College Athletic Conference, Bowling Green State, Princeton, Pennsylvania and Stanford prior to coming to UNI.

During his tenure at UNI, he has reorganized the management of the department to make it more effective and has set priorities to increase the competitiveness of Panther teams. Emphasizing increased operating budgets for all sports and increased scholarships for women's sports, the department has enjoyed its best performances since joining Division I in 1980. Since 1992, the Panthers have celebrated their first Missouri Valley Conference championships in men's cross country, indoor

and outdoor track and field and volleyball. Football has won five Gateway Conference titles and has enjoyed the highest attendance, including many UNI-Dome football sellouts. The department successfully has hosted NCAA football playoff games and volleyball matches. In 1997, the UNI-Dome hosted one of its biggest events in the NCAA Division I Wrestling Championships.

Increased emphasis on athletics performance has not diminished the positive public image the program enjoys. The department operates on a balanced budget and student-athletes graduate at rates equal to or better than the student body as a whole.

Ritrievi served as vice president of the MVC athletic directors in 1994-95 and has chaired the league's long-range planning and Gateway finance committees. He was president of the Division I-AA Football Athletic Directors Association for the 1996-97 year.

A native of Levittown, PA, he is married to the former Stephanie Homeyer, who grew up in Wellsburg, IA.

Nancy Justis, Athletic Media Relations Director

Justis is a member of the College Sports Information Directors of America (CoSIDA) and served as chair of that organization's Career Enhancement Committee for several years. She joined the UNI staff in 1974 as an assistant editor in the Office of Public Relations after working one year as a reporter for the Fort Collins (CO) Coloradoan. In 1976, she was named the first fulltime assistant SID at UNI and was named director in 1979. Her publications have received several awards from CoSIDA.

She was a member of the press operations corp at the 1984 Summer Olympics in Los Angeles and the 1987 Pan American Games in Indianapolis. She assisted with the 1993 NCAA Midwest Regional Basketball Championship held in St. Louis. She also is a member of Women in Communications, Inc., and the United States Basketball Writers Association. She's a 1973 graduate of the University of Iowa. A native of Cedar Rapids, IA, she and her husband, Bob, who announces home Panther football and men's basketball games, have a daughter, Nicole.
